

# WEASAND CLIPS

## LOOSE

The Adept Beef Clip is the most reliable and cost effective solution to control ingesta during cattle processing. Adept Weasand Clips are recognised as the international industry standard for ingesta control.

- > Closes to form a secure seal around the weasand (oesophagus), preventing leakage
- > The weasand (oesophagus) is cleared of contents during application
- > Fast and easy to apply
- > Proven to reduce contamination
- > FDA / EU food contact approved
- > Industry best practice
